### MEMORANDUM FOR RECORD

SUBJECT: Rescheduling Nationals 2020 to the week of 21-27SEP20 in Jacksonville, Florida

Family,

As all of us are fully aware, these are unprecedented times that we're going through. Never in the annals of our history has this nation ever endured such a crisis whereby not only the health of our citizens has been compromised, but the economic, social and travel liberties that help define this great country.

We have been following closely the conditions around the country as well as in Florida. As of today, there are far more uncertainties and too few guarantees in place in order to make a well-informed decision to continue the 2020 Nationals, as scheduled for the week of 15-21JUN20, in Jacksonville, Florida.

Just a few minutes ago, we concluded a Special Meeting whereby it was discussed on keeping our current dates as planned for Nationals 2020, or to move them to a future date.

Due to the reasons listed above, it is with sincere regret that we must move the dates for our Nationals to the week of Monday, 21SEP20 through Sunday, 27SEP20 (the core of the Convention will be from 23-27SEP20). A Resolution was drafted and signed, IAW with Missouri state law, that not only moved those dates but addressed the impact of it on the 3 NBOD Officer positions up for election. The location will remain the same in Jacksonville, Florida and at the same host hotel (Hyatt-Regency), main overflow (The Lexington) and other (Hampton Inn & Suites). According to the FL SR, ALL reservations will remain the same, except the dates are adjusted. If you plan on attending in September and already had a reservation at the aforementioned hotels, you needn't do anything. If you can't make it, please give the hotels 2 weeks before you cancel. There will be no cancellation fee if done at least two weeks before 21 September 2020.

The itinerary (attached) will still remain the same (with dates adjusted accordingly).

In regard to the position of the National Treasurer (NTRES), of which is being run unopposed, it was agreed that the current NTRES will continue with those duties until the election at the National Meeting on 26SEP20. In reference to the position of the National Secretary (NSEC), of which is being run unopposed, it was agreed that the current NSEC, it was agreed that the current NSEC will continue with those duties until the election at the National Meeting on 26SEP20. Concerning the position of the National Vice-President (NVP), of which is being run contested, it was agreed that the current NVP will continue with those duties until the election at the National Meeting on 26SEP20.

It's with great hope that this affliction passes, and we return back to some semblance of normal living. Until then, keep check on your Brothers and Sisters, follow the guidelines issued by federal, state and local governments and remember that we are part of the greatest family on earth.

POC for this action is the NPRO.
