CVMA® POLICY 3-2-13

Effective date: March 12, 2013
Revised: August 8, 2013

SUBJECT: INITIAL and AMENDED BYLAWS

1. When a chapter/detachment is established, that chapter or detachment's bylaws must be reviewed and approved by the NBOD.
2. The same applies to amendments. Any amendment to a chapter or detachment's bylaws must be forwarded up the chain of command to the NBOD for review and approval.
3. Bylaws and/or amendments will be reviewed and if found in compliance with national bylaws placed in a master file for future NBOD reference. If not in compliance, recommendations will be sent back to the chapter/detachment via the chain of command to be updated and re-submitted.
4. POC for this policy is the National Sergeant at Arms.

The original policy was placed in effect by the sitting NBOD at that time. A revision was approved on August 8, 2013, adding detachments by a vote of 5 for and 1 abstention.
